Why not check into the sales-building possibilities of the Yellow Pages? Call the business office for information about advertising in the Yellow Pages. Your advertisement in the Yellow Pages reaches prospective customers when they are ready to buy. When they know what they want — but not where to get it — they turn to these Yellow Pages.

Put more sell in your selling day — with an advertisement in the Yellow Pages, you can reach more prospective customers by advertising in this handy buyer's guide. Thousands of people regularly use the Yellow Pages as an answer to their buying needs. If you have a product to sell, or a service to offer, here's the place to tell your prospects about it.

DON'T KEEP IT A SECRET!
Tell the ready-to-buy people about the products and services you sell.
Advertise in the YELLOW pages! Display the brand names of the products you sell and repair. Make it easier for people to buy from you.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.
