# GAS/TELEPHONE/ELECTRIC UTILITY/PIPELINE SITE LOCATE NOTIFICATION SERVICE!

Most underground utilities/facilities can be contacted with one telephone call to the Alberta 1st Call notification service.

**ALBERTA**  **st CALL**

**1-800-242-3447**  
TOLL FREE

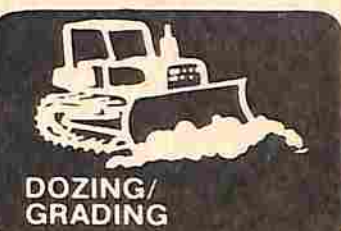

It is the excavator's responsibility to contact all other companies which do not participate in the 1st Call Service.

## 2 WORKING DAYS NOTICE

You must request underground gas, telephone, electric, utility and pipeline site locates at least 2 working days before you excavate in order to have participants mark the location of their underground facilities at your excavation site.

Call Before  
You Dig

**96%**  
of all Albertans use the  
**YELLOW PAGES**  
to find a product or service  
when they are ready to buy.

Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-  
phone facilities add real  
value to a home yet their  
cost is very small if they  
are installed during  
construction.

Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-  
phone facilities add real  
value to a home yet their  
cost is very small if they  
are installed during  
construction.

Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-  
phone facilities add real  
value to a home yet their  
cost is very small if they  
are installed during  
construction.

Telephone service is a friendly  
service. The people who op-  
erate and maintain it take a  
genuine satisfaction in serving  
you pleasantly and well. People  
who use the telephone a great  
deal find that friendliness is an  
instinctive habit. The telephone  
helps folks to know each other  
better.
