Have you tried the handiest shopping centre in town? It's right at your fingertips — the "Yellow Pages" of your telephone book. Quick "Yellow Pages" have solved many a buyer's problems. Let them help you get in touch with almost everyone you need who sells things, does things, fixes things.

(CONTINUED NEXT LISTING PAGE)

Telephone service is a friendly service. The people who operate and maintain it take genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
