Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Telephone service is a friendly service. The people who operate and maintain it take a genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.

Would you like to get a larger share of business from the customers in your neighborhood? Then why not advertise in the "Yellow Pages?" Advertising in the "Yellow Pages" tells where to buy. Call the business office today for information about "Yellow Pages" advertising.
