4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE
You can talk over matters at once.
Promptness often prevents loss of customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
 Promptness often prevents loss of
 a customer.
 You can build closer relations with
 customers.
 You can use tact in delicate situa-
 tions. And because people talk more
 freely than they write, you can fre-
 quently trace the real reason for the
 complaint and prevent similar com-
 plaints in the future.
