4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

or daughter, for the relative
or friend who lives under
your roof... what nicer
thought than a separate
listing in the Telephone
Book?

Use outdoor public telephones
often. They're brightly lighted
and located for your conven-
ience in residential and business
districts and along highway en-
trances to the city.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE
You can talk over matters at once.
Promptness often prevents loss of
customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.
