That's on top of what you save during regular discount periods.

Here's how the savings add up:

nere's now the savings and up:	Daytime	35% Savings	60% savings
Eligible Calls	\$100.00	\$100.00	\$100.00

And any additional calls receive the same low perminute rate! AGT *Between Friends* savings plan applies to all direct-dialed calls made between 6 p.m. and 8 a.m. Monday through Friday, and all day Saturday, Sunday, Christmas Day and New Years Day.

Choose from plans for calling in Alberta or across Canada/United States (excluding Alaska, Hawaii, and Alberta). To find out if either or both plans can work for you, call an AGT *TeleCentre*[™] representative today.

SPREADING OUR WINGS FOR THE ENVIRONMENT

Few of us realize it, but many species of native Alberta birds are becoming threatened as we lose more and more wilderness to farmland and urban development. Brian Cowan, an AGT employee, took a second look at AGT's buried cable markers that dot Alberta and saw a chance to provide homes for thousands of these birds.

Brian developed Feather Care, a program to convert the bright blue and orange cylinders into nesting boxes. A huge success, 5,000 markers were converted in 1992 and 2,362 native Alberta birds were hatched. Thanks to Brian's idea and the increasing support of volunteers, AGT hopes to convert 25,000 markers and attract 17,000 nesting pairs of birds by 1997. PATRICK HOULE Lethbridge Network Installer
