POWER TOOLS

No doubt about it, *Yellow Pages™* advertising is a powerful tool to have in your marketing arsenal...a tool that gives you the power of choice.

With hundreds of options to choose from, you can customize your advertising to get your customer's attention, get them interested, convince them that you have something of value, and get them to take action.

This year, customize your Power Tools and get the Power of Yellow working for you.

THE YELLOW PAGES™

If you need to reach consumers at the precise moment they are ready to buy, the Power of Yellow can do it for you.

THE WHITE PAGES

If you want your customers to find you easily, the Power of Yellow in the White Pages will make your company stand out.

THE TALKING YELLOW PAGES™

If you need to talk to your customers individually and want them aware of sales and special information, The Sound of Yellow in our Talking Yellow Pages gives you the edge. Calgary - Red Deer - Lethbridge

THE INTERNET alberta.com

If your business is listed in a TELUS Yellow Pages directory, you're automatically listed on the Internet for free! Link your listing with a home page or e-mail and give customers from around the globe access to your product or service.

OTHER MARKET ADVERTISING

If your goals are far reaching and you want to advertise outside your local directory area, one call to Telus Advertising Services can open the doors to other markets.

INSIDE BACK COVER OR TABS

If you need the ultimate in high-profile placement, consider the inside back cover or Tab positions...seen by virtually every person who uses the book for any reason, every day.

LISTDIRECT

If you want to use direct marketing to get in touch with your customers in a cost-effective manner, ListDirect is the place to call for help.

REVERSE DIRECTORY

A powerful marketing tool reverses the listings found in the Calgary White Pages and gives them to you in numerical order by both phone number and by address.

OTHER MARKET DIRECTORIES

Whether for business or pleasure, using directories from outside your area can help you get in touch with other Canadian or international markets.
