People who are ready to
buy turn first to the "Yellow
Pages." If you have something
to sell or a service
to offer, here's the
place to tell about it. The
"Yellow Pages" places your
name, address and tele-
phone number before the
buyer at the very moment
he wants your product or
service. Call the business
office for information.

Think it over,
the decision
becomes clear...

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE
You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

For home or business
- TELUS Long Distance is your best choice. We offer the complete range of services you expect and the savings plans you can count on to save money - everywhere, every time.
