New Alberta Area Code

Alberta has a second
area code **780**,
effective January 25, 1999.

Look in the front of the TELUS
White Pages under the New
Alberta Area Codes Page for
the communities that fall
under the new area code. The
southern part of the province
retains area code **403**.

Advertisers in area code 403
should show their area code in
all their advertising into the
telephone books of
the 780 territories.

38 Awards. 350,000 Sales. Do you need more proof positive?

OK. Only the Minolta copier line increased sales 3 times better than the industry average in one year.
Why are we so positive you should call Minolta?
Because not all copiers are Minolta.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
