## Not an ordinary Accounting Firm!

Unlike the traditional accountant who feels the best way to increase income is to penny-pinch your costs, Johnston Morrison Hunter & Co. (JMHC & Co.) is proactive, helping you generate ideas... great ideas that increase revenues and promote growth. You see, we are not an ordinary accounting firm... we are Results Accountants, members of the largest network of independent, leading-edge accountants in the world called "Results Accountants' Network."

Since 1916, people just like you have been coming to JMHC & Co. and that means you'll benefit from their experience. Over the years the team at JMHC & Co. has handled every type of financial accounting situation there is, so we'll know just what to do to help you. Let us give you a new level of support and strategies that will help you and your business grow. And if you want penny-pinching, we do a great job of that as well!

By the way, we are proud to be 100% locally owned... that means the reasonable fees you do pay will be reinvested right here in your community.

We're waiting for your call...
