Yellow Pages Group™

Success at your tips.

When customers come looking for you, this is where they'll look first.

Yellow Pages Group helps you reach your customers via print, online and wireless directories at the moment they are ready to buy.

It's trackable, measurable and proven.

Consider that 73% of all Canadians consult the print and online directories every month and that 69% of these make purchases as a result⁽¹⁾. Also, our online directories were consulted by 7,2 million unique visitors⁽²⁾, reaching over 35,2% of online Canadians.

Yellow Pages Group is Canada's largest telephone directories publisher and has been an industry leader since it published its first directory in 1908.
