If you can't afford to lose your licence, you can't afford to skip this ad. We can help, guaranteed.

Since 1988, we have handled thousands of criminal cases throughout Alberta. We act for truck drivers and other persons who need to drive in order to make a living and support their families. Most of our clients are referred to us by other people we have helped, so we do our best to make sure that each of our clients is completely satisfied with their result. Our service is expensive, but you get what you pay for. We are so confident that we deliver good value, we offer a money back guarantee — if you are not satisfied with your result, we'll refund your fees, no questions asked.

If you need to keep your driver's licence, call us for a free and confidential interview.
