NEW FAT BUSTER "NO NEEDLES" ULTRASHAPE™ PROCEDURE

Safe, effective and convenient.

No surgery, No anesthetics. No recovery time.

The UltraShape™ "Walk-in walk-out" procedure takes place in the physician's office after a consultation session between Dr. Saujani and the patient. Dr Saujani first examines and marks the treatment area. Then, while the patient lies back on a comfortable bed, the operator uses the hand-held transducer to convert electrical energy into ultrasound energy and gently deliver focused therapeutic ultrasound energy over the marked region. In this way, the fat cells are selectively and safely disrupted. The entire procedure is guided by UltraShape's advanced tracking technology which ensures smooth, uniform contouring.

1. Abdomen
2. Flanks ('love handles')
3. External Thighs ('saddle bags')

We also offer:

1. Thermage for Wrinkles
2. Botox/Fillers
3. Microdermabrasion Peel
4. Lipodissolve
5. Reduce Fat (face, chin, arms)
6. Hair Injections
7. Hair Growth Laser
8. Blu Light for Acne/Keratosis
9. Teeth Whitening

POWERPLATE EXERCISE
SESSIONS INCLUDED
