MORTGAGES for LESS

Purchases - Refinances - Equity Take-Outs - Renewals - 1st & 2nd Mortgages

• LOWER RATES than your BANK • DAMAGED CREDIT? No Problem!

• If you need MONEY, we have SOLUTIONS. Call Today!

Banks vs Mortgage Agents

Most people go to their bank for their mortgage as we did. Little did we know that the banks were charging retail rates (even after discounting to some customers) & Mortgage Brokers were offering wholesale rates for the same mortgage.

Even long time bank customers are being charged higher rates than they need to pay. The banks assume you won't check rates elsewhere & find out they are too high.

On a typical \$300,000 mortgage amortized over 25 years, even a 1/4% rate reduction will save you over \$12000.

In addition to the wholesale side of the Chartered banks & Mortgage companies, we have access to over 60 lenders to ensure the best mortgage & rate you qualify for.

With many of these lenders you can still qualify even if the bank said no or you have damaged credit or no provable income.

NO FEES and First Class, Personalized Service

Because we are paid by the lenders in most cases, there is no fee to work with us.

We work for you, not for the banks, and only get paid when we get you the mortgage you need. We assume you want the best interest rate, that is a given.

We want to make sure we also minimize any fees or pre-payment penalties when you purchase a new home or when rates drop.

So whether you need a mortgage for a:

- purchase, • refinance,
- equity take out, • renewal

or just need to ask some questions, we are ready to assist you.

Free Mortgage Quote & Credit Analysis

What is a free mortgage quote and credit analysis? After reviewing your current mortgage needs we will discuss interest rates, fixed vs variable rates, credit issues, penalties, prepayment options & develop a mortgage strategy that will keep interest, bank fees and penalties to a minimum for the entire term of your mortgage.
