The Story of Houston Pizza - The popularity of Houston Pizza has become very special over the years. Started in September 1970, the Koltis brothers developed an original and unique style of pizza making. It is based on quality and abundance at a great value. "Lots of real, good food. Lots of real, good value." is their trademark slogan. In fact, it has been voted "Best Pizza in Canada" by the Globe and Mail and in April, 2000, the CBC program, "The Great Canadian Food Show," chose Houston Pizza to show Canada how to make the best pizza and demonstrate why Regina is "The Pizza Capital of the World." Although regular customers have moved away, they find a way to solve their craving for a Houston pizza. Most notably, they have a visiting family member or friend bring a pizza to them. We have had specific orders destined for many locations in Canada and even to Minneapolis, Phoenix and parts of California and Connecticut. For this reason the popularity of Houston Pizza has become very special.
