Recycling Council
of Alberta

Make a Difference Reduce, Reuse, Recycle

Close the Loop -- Buy Green!

The Recycling Council of Alberta has developed a **Green Procurement Policy Template** to make it easier for organizations to develop their own procurement policy. Check out the template and other resources at www.recycle.ab.ca/reports. Just fill in the blanks or use the information provided to develop a customized policy.

Looking for greener products and services? The Recycling Council of Alberta publishes the **Enviro Business Guide**, a comprehensive directory which outlines the variety of recycled content products and waste reduction services offered by RCA members. www.recycle.ab.ca/ebguide

Not sure where to recycle?

Contact the Alberta Recycling Hotline
at 1 800 463-6326 or visit www.recyclinghotline.ca
to find out where you can recycle your directory
and other materials.

Reduce! Yellow Pages Custom Delivery Program
Canadians can be removed from the printed directory distribution list if they would rather consult the directory online or on their smart phone. For more information visit www.ypg.com/delivery.

Too hot or too cold? When you have a heating, ventilation, air conditioning or refrigeration problem, you need the specialized skills of a licensed Refrigeration Technician. Just one call can deliver a heating, cooling and air quality expert right to your door. A technician who's specifically trained to service and repair every component of your HVAC systems.

We measure our success by degree, so take comfort and make a Refrigeration Technician your first call.

Contact a licensed Refrigeration Technician at any one of the following companies:

Gateway Mechanical Services 800 265-1060
