**ONIONLESS ONION**

If you like potato salad but do not like raw onion, you might try boiling an onion in the water in which you are boiling the potatoes for the salad. This gives the Spuds the flavor of onion.

**NEWSPAPER FIREWOOD**  
To make a small grate or stove  
fire, or to kindle a big one, use old  
newspapers which have been rolled  
up tightly, soaked overnight in  
water, squeezed out and allowed  
to dry for several days. The tighter  
they are squeezed, the better fire-  
wood they make.

**TO GLUE FURNITURE**

In gluing a loose furniture joint, remember that glue doesn't provide strength in filling an open space, so first put a strip of thin cotton cloth over the piece that fits into the mortise. Then do the gluing, tie the joint firmly together and let it set for 24 hours.

## TO GLUE FURNITURE

In gluing a loose furniture joint, remember that glue doesn't provide strength in filling an open space, so first put a strip of thin cotton cloth over the piece that fits into the mortise. Then do the gluing, tie the joint firmly together and let it set for 24 hours.
