Behind on orders? Let the handy Yellow Pages introduce the suppliers you need. It's fast, it's convenient. Wise buyers say there's nothing like the Yellow Pages of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try them once . . . you'll use them often.

It's easier to understand
and jot down numbers
too, if they are spoken in
sequence with pauses be-
tween groups of numerals.
For instance, in reading
a loud the telephone
number of our business
office, we would say,
"Two two four (pause) six
two, six one."

A HEAVY LOAD

Shoppers each year carry some
 1,400 pounds of groceries home for
 each person in the family. The
 load, however, is about 100
 pounds lighter than it was in the
 1940's — partly because of in-
 creases in food processing, partly
 because of changes in consumer
 tastes.

CORNBREAD TIP

To keep cornbread from sticking to baking pan, melt shortening in the pan and spread over bottom and sides of the pan. Set pan in refrigerator to firm up again. Pour cornbread to bake. The cornbread when baked can be removed easily and will not stick to the pan.
